These Green Funeral Plans guarantee to cover the Funeral Directors fees for their professional services. Disbursements are third party costs that may include cremation or burial fees, clergy, doctors or church fees, and are paid for by the funeral director on your behalf. The costs are not included in the displayed prices.

However, should you wish to add a contribution towards covering these costs to your plan, or to purchase a burial plot in a cemetery or woodland burial ground, please contact one of our advisors for further assistance on free phone **0800 85 44 48**. Any contribution paid towards disbursements will be guaranteed a return, increased in line with the Retail Price Index on maturity. Should any disbursement prices increase above the Retail Price increase, these additional costs will need to be met by your next of kin or funded by your estate at the time of the funeral.

If no pre payment is contributed towards the cost of Disbursements, these costs need to be paid in full at the time of the funeral.
